

The Alliance is a statewide team of self-advocacy groups in Illinois. We work together to make life better in our communities and to work to make services better in our state.

We want groups from around the state to speak together with one loud voice. We can do more when we all work together!

With 25 member groups in Illinois, there's one near you. Contact Megan Norlin, Local Group Coordinator, at megan.advocacy@gmail.com to learn more.

Our Vision

Our vision is for self-advocates to work together to get the support we need and to live the life we want in the community.

Our Mission

Our mission is to speak up for ourselves and each other while working together to make changes in our communities and in Illinois.
